Subject: Letter of Recommendation for RIK SINGHA**Dear RIK SINGHA**

It is with great pleasure that I write this **letter of recommendation** for **RIK SINGHA**, who successfully completed an internship with LaunchED in the domain of **Web Development** during the period **June 2025-July 2025**

Throughout the internship, RIK SINGHA demonstrated a high level of dedication, professionalism, and eagerness to learn. He consistently delivered assigned tasks with precision and timeliness, showing a strong grasp of both theoretical knowledge and its practical applications. His ability to quickly adapt to new challenges and contribute effectively to team discussions was commendable.

We were particularly impressed by his work on Capstone project, where he showcased problem-solving abilities, technical skills, and a collaborative attitude. He also exhibited excellent communication skills and a positive work ethic, making a strong impression on mentors and team members alike.

I believe RIK SINGHA's internship experience with us has equipped him with valuable industry insights and professional competencies that will serve him well in his future academic or career pursuits. I am confident that he will be a valuable asset to any institution or organization he choose to be a part of.

Please feel free to contact us should you require any additional information.

Wishing RIK SINGHA all the best in his future endeavors.

The Hiring Manager

Subject: Application for the Position of Java Developer (Fresher) & Web Developer Position

Dear Sir/Madam,

I am writing to express my interest in the Java Developer & Web Developer position at your esteemed organization. With a strong foundation in Java, JavaScript, PHP, HTML, CSS, and SQL, I am eager to begin my career in the IT industry and contribute effectively to your development team.

Coming from a middle-class background, my academic and professional journey has been unconventional yet enriching. After a short break from formal education, I realized the value of continuous learning and resumed my studies in 2021. I am currently pursuing my Bachelor of Computer Applications (BCA) at Uttaranchal University.

Alongside my academics, I have gained professional experience at Apollo Pharmacy and M-Pocket (Kolkata). These roles have strengthened my soft skills — including team coordination, quality management, customer service, and workplace discipline — all of which are essential in any corporate setting.

My passion lies in Java, Web Development, and object-oriented programming. I continuously enhance my expertise through self-study, practical projects, and mentorship programs, with hands-on experience in building responsive and user-friendly web applications. Additionally, my interest in storytelling and digital technology adds a creative and communicative edge to my technical skills, enabling me to approach problem-solving with both innovation and clarity.

I would be honored to have the opportunity to contribute to your team's success and demonstrate my abilities. Thank you for considering my application. I look forward to the possibility of discussing how I can bring value to your organization.

Sincerely,
Rik Singha.
